RE: Various Drainage Improvements at FishHawk Ranch

This memo is to inform residents of FishHawk Ranch that the CDD will be performing work in two areas of the community over the next few weeks.

Parcel I, J, K Nature Trail Drainage Improvements:

Central Concrete Products Inc., will be making drainage improvements to an area along the nature trail located northwest of the Osprey Glen Drive and Tanagerside Road intersection over the next few weeks. Once this is completed this will produce a solution for the stormwater ponding that occurs in this location.

Towncenter 1B, 2A & 2B Drainage Improvements:

Central Concrete Products Inc., will be making drainage improvements to an area located near Towncenter 1B, 2A & 2B over the next few weeks. Once this is completed this will produce a solution for the stormwater ponding that occurs in this location.
